Subject(s)**Departmental Hourly Rates****RFT 270**

Effective October 10, 2021, Child Development and Care (CDC) provider subsidy rates will be increased by 30 percent. In addition to the ongoing 30 percent increase, federal funding has allowed for three additional temporary rate increases. The temporary rates will roll out in a three-step sequence, with each sequence lasting 13 pay periods.

At the conclusion of the three-step increases, beginning 4/9/2023, the ongoing provider rates will be based on the original 30 percent increase.

Reason: PA 87 of 2021.
